

School of Mathematics, Statistics and Applied Mathematics
Module Feedback Questionnaire

This questionnaire will allow you to describe, in a systematic way, your experience of this module. Please respond to every item; think about your experience of this particular module and answer the questions as honestly as you can, indicating how strongly you agree with each of the statements. Please use the text-boxes at the end of the survey to elaborate further on any point. Your constructive feedback will help us refine and improve the module delivery and design. Your answers are strictly confidential and anonymous.

Please use a dark coloured pen or pencil and completely fill answer boxes.

1. The Learning Outcomes of the module are clear to me.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

2. The module is well organized.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

3. I have access to sufficient materials to support my learning (for example: handouts, library books, Blackboard materials).
 agree agree somewhat unsure/not applicable disagree somewhat disagree

4. The feedback I have received is helping me improve my learning.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

5. The lectures are clear and well prepared.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

6. The lecturer(s) is/are helpful, approachable, and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

7. The tutorials/labs are helpful and effective.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

8. I have an appropriate educational background for this module.
 agree agree somewhat unsure/not applicable disagree somewhat disagree

9. How actively do you partipate in the various aspects of this module (for example attending lectures and tutorials, engaging in independent study, etc.)?
 very actively somewhat actively not very actively hardly at all

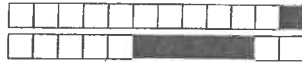

10. What do you like about this module?

Your comments:

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

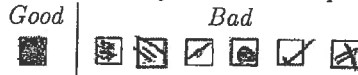

Your comments:

 very actively somewhat actively not very actively hardly at all

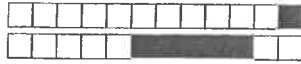

10. What do you like about this module?

Your comments:

It is interesting and is always brought back to real life problems with examples.

The lecturer engages with the students and is helpful.

11. What suggestions can you offer that would help make this module a more valuable learning experience for you?

Your comments:

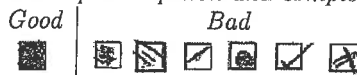

The lectures could be led at a slower speed with more time being dedicated to explaining the ~~smaller~~ details.

Module Feedback Questionnaire

This questionnaire will allow you to describe, in a systematic way, your experience of this module. Please respond to every item; think about your experience of this particular module and answer the questions as honestly as you can, indicating how strongly you agree with each of the statements. Please use the text-boxes at the end of the survey to elaborate further on any point. Your constructive feedback will help us refine and improve the module delivery and design. Your answers are strictly confidential and anonymous.

Please use a dark coloured pen or pencil and completely fill answer boxes.

1. **The Learning Outcomes of the module are clear to me.**
 agree agree somewhat unsure/not applicable disagree somewhat disagree

2. **The module is well organized.**
 agree agree somewhat unsure/not applicable disagree somewhat disagree

3. **I have access to sufficient materials to support my learning (for example: handouts, library books, Blackboard materials).**
 agree agree somewhat unsure/not applicable disagree somewhat disagree
